# Why bother with Jesus?

You are warmly invited to share the evening with us and our guest speaker as we explore this important question.

Our guest speaker is Henry Olonga. Henry is a former Zimbabwean test cricketer who was charged with treason by Robert Mugabe's government after wearing a black protest arm band in a Cricket World Cup match. Hear how Henry faced intimidation, family turmoil and the death penalty as a result of living out his faith through his protest.

This evening is part of our week of Why? events where we will be examining some of life's big questions. Find out more about the other events at: [www.trinityroadchapel.org/why](http://www.trinityroadchapel.org/why)

Come and join us and host Roger Carswell for live music, free refreshments and our guest speaker on: Friday 8th October, 7.30pm.
